Case No. AP-87-25

By motion (letter) filed December 29, 1987, Virginia Coach Company requests that the time for complying with the requirements of Order No. 3100, served December 4, 1987, be enlarged from January 4, 1988, to February 3, 1988. As reason for the extension of time, Virginia Coach Company states that it has complied with all terms of Order No. 3100 except filing of equipment leases. Counsel for Virginia Coach Company states that lease forms were sent to lessor, BusLease, Inc., on December 7, 1987, but BusLease, Inc., has not returned the leases. Thus, for good cause shown, Virginia Coach Company's request for an extension of time will be granted.

It should be noted that to date no certificate of insurance in accordance with Commission Regulation No. 62 has been filed with the Commission as required by Order No. 3100. Virginia Coach Company will be expected to supply the requisite insurance certification within this same time period.

IT IS SO ORDERED.

FOR THE COMMISSION:
